

Planning Questionnaire

Dear Prospective Customer,

This is an exciting time for you! You want to travel to Italy and you have decided that you want to rent a property there, which is the most thrilling, fun and intense way of visiting the country and getting to know the culture. Now you have to select the right villa for your group. We wrote this questionnaire to help you in the decision-making process. These questions will bring your interests into focus and guide you as you browse the properties. You could send this questionnaire to all the people traveling with you, fill it out individually and then compare your answers. Or you could meet for an Italian evening and talk about it all together while you have wine and cheeses, or try one of the delicious recipes we recommend in our web site under "[Interactive Italy](#)". However you decide to do it, you should have fun planning your Italian trip. If you have questions along the way, we are happy to help at any point.

You can call us at 800 786 5760 or e-mail info@vestaitalianvillas.com

We look forward to discussing your trip with you!

Ciao
